As chairman of the membership committee and golf tournament, I am honored to welcome you to the Big Kahuna and Little Kahuna Golf Tournaments presented by the Northern Cambria Area Business Alliance (NCABA).

The NCABA has grown to over 100 members strong. We are all proud to be working together for the socio-economic growth of all the communities that comprise and surround the northern tier of Cambria County.

We have celebrated many successes over the past years and are excited as we look forward. In 2008, we received our non-profit status. The golf tournament assists us fund many of our projects. Proceeds help finance our scholarship award, career fair, "Meet the Candidates" events, seminars and last year we helped with a fundraiser to aid our regional hospital.

We invite you to come join us for golf at Cambrian Hills Country Club. If you don't golf, please come to the mixer following the tournaments. I'm sure you will meet some new friends and will undoubtedly have a great time. For those of you who aren't familiar with the NCABA, please join us; you will be delighted to see what we do.

Thank you in advance for your support.
