As chairman of the membership committee and golf tournament, I am honored to welcome you to the Big Kahuna and Little Kahuna Golf Tournaments presented by the Northern Cambria Area Business Alliance (NCABA).

The NCABA has grown to over 100 members strong. We are all proud to be working together for the socio-economic growth of all the communities that comprise and surround the northern tier of Cambria County.

We have celebrated many successes over the past years and are excited as our goals become realistic. In 2008, we have received our non-profit status. This fundraiser permits us to work for all of the communities that thrive in our area.

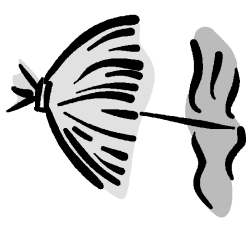

We invite you to come join us for two days of golf at Cambrian Hills Country Club. If you don't golf, please come to the mixers following the tournaments. I'm sure you will meet some new friends and will undoubtedly have a great time. For those of you who aren't familiar with the NCABA, please join us; you will be delighted to see what we do.

Thank you in advance for your support. We look forward to your company,
